

Hanborough Meadows Pre-School (previously Long Hanborough Playgroup est. 1984) provides a high standard of pre-school education for children aged between 2 and 5 years old. We help children to develop and thrive in our small, friendly and bespoke setting which was opened in April 2019. Our pre-school enjoys strong links with local schools to facilitate a smooth transition for your child into the Foundation Stage of primary school. We have a strong emphasis on outdoor learning and run our Forest Rangers sessions on Tuesday and Friday mornings. Hanborough Meadows Pre-School is committed to safeguarding and all staff and volunteers are vetted to ensure the welfare of the children.

Sessions run Monday to Friday during term time only (2 session minimum policy) Prices as of January 2021:

Full day: 8.30am-3.15pm £35

AM session: 8.30am-11.30am £20

What have we been up to?

Guardians of the Planet: Our new topic for this term is 'Guardians of the Planet' where we will be looking at how we look after ourselves and the world that we live in. We have started by looking at healthy eating and looking after our bodies. As part of this learning, we are growing our own fruit and vegetables in our veggie patch. Snack time at Hanborough Meadows is always a great opportunity for the children to taste, smell and feel different fresh fruits and vegetables too. We have been working on our wellbeing and talking about what makes us happy and calm. We have also been listening to classical music and at our Forest School sessions we have been hugging trees!

Rewilding: We have been taking part in the community 'rewilding' project in the village. We have designated an area in our outdoor space that we are 'rewilding' and the children are really enjoying identifying how the space is changing, the vegetation that is growing and the insects that are visiting. They have been spotting lots of new bugs and minibeasts!

Training and Development: Our amazing team are continuously developing their skills and completing training to help them support the children in their care. Importantly, they have recently all renewed their Paediatric First Aid training which they found invaluable.
